SPECIAL
SETS

Special Sets, 3 and 4 colors | Sets especiales, 3 y 4 colores

The sets offer a convenient way of obtaining specific colors for a specific military branch in a specific period.

The rear sides of the boxes feature profile guides showing samples of typical color combinations and schemes, but the included colors can be used for many other subjects, carrying different painting finishes. It is recommended checking further reference sources when painting your model kit.

Los sets ofrecen una forma práctica de obtener colores específicos para una rama militar concreta en un periodo concreto.

En la parte posterior de las cajas se incluyen guías de perfiles que muestran ejemplos de combinaciones y esquemas de color típicos, pero los colores incluidos pueden utilizarse para otras temáticas, con diferentes acabados de pintura. Se recomienda consultar fuentes de referencia cuando pinte su maqueta.
