

# AK BASING BITS

## Craft the perfect world for your miniatures

### What are our AK Basing Bits?

Bits are premium resin pieces made to enhance your miniature bases and dioramas; adding story, texture, and depth in seconds.

### Why AK Basing Bits?

- **High-Detail Design**  
Expertly sculpted for stunning visual impact.
- **Top-Tier Resin**  
Durable, game-ready, and with superior paint adhesion.
- **Ready to Use**  
Easy to detach, no sprue frustration, no prep needed.
- **Theme Packs**  
Each box includes a variety of pieces in a specific setting:  
Forest | Special Effects | Wargame Scenery  
...with more themes on the way!
- **Available in Stores**  
No long waits. Find Bits at your local hobby shop.

### No 3D printer? No problem.

Just open, glue, and paint. Focus on the fun part.

### AK Basing Bits - Available now.

Pair them with our diorama products and build worlds worth painting.

## Craft the perfect world for your miniatures

Each Basing Bits box is built around a unique setting; designed to match your army, story, or style. From forgotten ruins to scorched deserts, every series brings new textures and possibilities to your bases and dioramas.

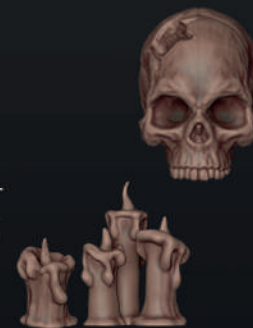

### PLANTS SERIES

Add depth and wild detail to your bases with **natural elements** like ferns, forest leaves, mushrooms, and death trees. Ideal for forest armies, ancient ruins, or overgrown worlds.

### WARGAME SCENERY SERIES

Add **classic fantasy elements** to your bases with ruins, bones, skulls and wood barrels. Perfect for armies and dioramas set in medieval or magical worlds, these Basing Bits bring depth and atmosphere to every scene.

### SPECIAL EFFECTS SERIES

Add gunshots, blood, portals, and impact effects to your bases. **Perfect for dynamic scenes and action-packed miniatures;** no sculpting required.

### AND MUCH MORE SERIES TO COME

We're just getting started. New themed series are already in development; so you'll always have fresh options to match your next project.
